Executive Search

Executive Search

Eficácia, empatia e orientação para resultados determinam o sucesso na busca por executivos que vão fazer a diferença.

Assim, a escolha certa por uma consultoria para Executive Search é um dos passos mais importantes na hora de compor um time equilibrado e de alta performance.

Com **metodologia certificada mundialmente pela AESC** – Association of Executive Search Consultants, a Dasein Executive Search oferece excelente retorno do seu investimento e muitos ganhos competitivos.

Nós avaliamos os candidatos através de **metodologia exclusiva, com tecnologia e alto padrão de qualidade**. Temos uma equipe experiente e comprometida com a excelência, e garantimos o sigilo das informações apuradas.

A Dasein Executive Search mantém sempre um diálogo com as empresas parceiras e com os profissionais identificados no mercado de trabalho e, por um período determinado, **trabalhamos a reposição sem ônus, caso o profissional contratado não permaneça na empresa**.

EXECUTIVE SEARCH

Efficiency, empathy and a results orientated approach determine the success in the search for executives that will make a difference.

Thus, making the right choice for an Executive Search consulting firm is one of the most important steps in composing a balanced and high performance team.

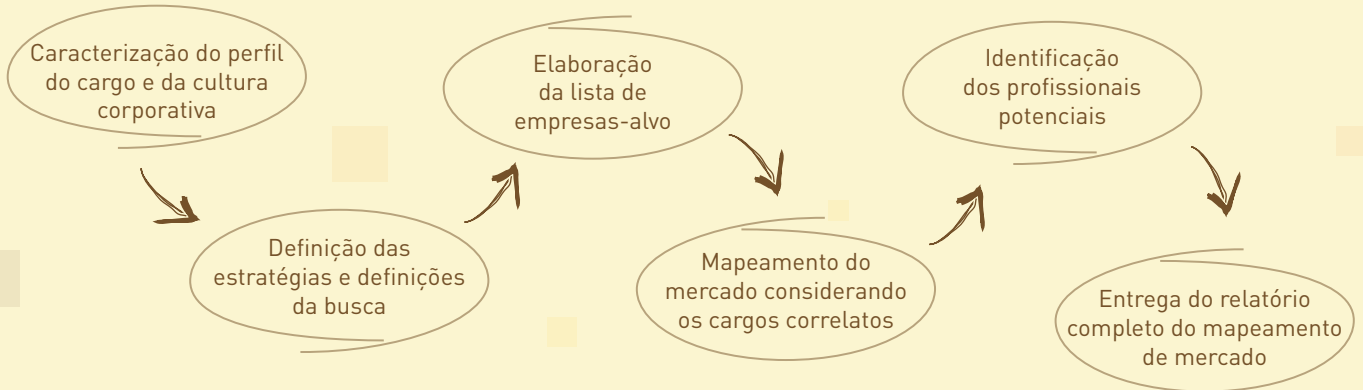

With globally certified methodology by the AESC – Association of Executive Search Consultants, Dasein Executive Search offers excellent return on investment and many competitive advantages.

We evaluate candidates through an exclusive methodology, with technology and high standards of quality. We have an experienced team committed to excellence, and we always guarantee complete confidentiality of all information gathered.

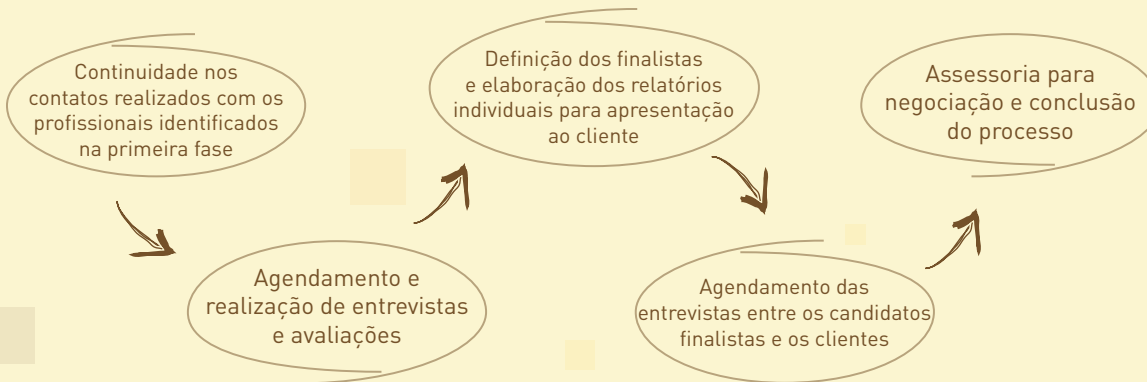

Dasein Executive Search always maintains a dialog with business partners and professionals identified in the work market. In addition, within a pre-determined period of time, if the hired professional does not stay with the organization we will find a replacement at no extra cost.
